

JANE: Where have you been? Yes, hello. I'm glad to see you, too. Okay, Horse, show me a new trick.

(JANE CHUCKLES)

JANE: That's great. Good boy. Good horse. Anything else?

(JANE GASPS)

JANE: Okay, um, change back. Good Horse. How am I supposed to explain that? Oh, got to go. See you later, okay?

LARA: Are you ready to shop?

JANE: Gift cards from grandma. I am totally ready.

(JANE AND LARA SCREAMS)

(JANE AND LARA LAUGHS)

DAD: Okay, no shrieking in the car.

LARA: No promises. Sometimes we're gonna shriek.

JANE: Yeah, like you and Kaiba do. When you're watching football.

DAD: We do not shriek! Uh, shriek.

(JANE CHUCKLES)

LARA: Uh-huh.

DAD: Anyway, I'll drive you to the mall as promised, but I'm not hanging around and watching you shop.

LARA: That's okay. You're not invited.

JANE: And then Kaiba sent me an I.M. And said he kind of missed me, too.

LARA: That is so sweet. Don't you think that's sweet?

DAD: Took the words right out of my mouth. Where is Kaiba, anyway?

JANE: Well, I asked him to come along, but he said he had homework to do.

DAD: Ha, on a Saturday?

CLEO: Zane, no, not you, too!

NIGEL: Destroy the earthling female.

MAN/ZANE/MAN: Yes, master.

CLEO: No, Zane. Don't listen to him. You -- you love me. No!

NIGEL'S VOICE: Okay, Gwen, I've got a secret: It's my copier.

KAIBA: More popcorn.
